*Fellow Rotarians and members of ROAR,*

*Past is again a New Years day and time is to hush the old year away, open the door to the present era and start filling the "tabula rasa".*

*The year we already have behind had joy and sorrow of many kind: nettles and roses and moments of bliss, rain and sunshine and broken promise.*

*Remember by taking a little while all the moments which made you smile. Take them and leave the sorrows on the floor when you are closing the old years door.*

*When wishing you a Happy New Year, I also hope that you will distribute our Communicator also to those members whom you know have been with us but for some reason do not exist in the latest Directory. We know this year will be better! The sun spots are coming!*

*73 and CU on the frequencies,*

*Rtn Pertti (Pete) Kause  
EA7GSU / OH1SH  
(RC Benahavis-Costa del Sol, Spain)  
President, ROAR, 2009-2012*
